

CORPORATE CAPABILITIES CARD

About Arpeggio, LLC

Arpeggio, LLC was founded in 2011 as a service disabled veteran owned small business (SDVOSB) that offers consulting, management, and professional services. Focusing on standardized processes, streamlined IT infrastructure, and sustainable growth strategies, Arpeggio successfully helped our clients to shape their futures in the Federal Government contracting environment by utilizing industry best practices to establish a lasting framework for success. Pooling our wealth of corporate experience, we have created a list of offerings targeted to the unique landscape of constantly shifting priorities and an uncertain funding environment that drives contracting requirements.

Arpeggio, LLC offers cost-saving support to Federal, State, and local government agencies, nonprofit organizations, and private-industry clients. We are Headquartered in Fairfax, VA, we are a Minority Business Enterprise (MBE) that provides targeted customized solutions and products for the commercial and government sectors in the areas of Business Development, Consulting, Capture Management, Software & IT Infrastructure, Organizational Development, Strategic Communications, Business Process Reengineering and Program Management.

Arpeggio's leadership has multi-government agency experience working with private industry, Department of Defense, Department of Homeland Security, Department of State, U.S. embassies in Central, South America, Middle East, and Foreign Governments, and has worked in successful large programs with the U.S. Government in the Caribbean, Central, South America, Europe, and the Middle East.

Arpeggio, LLC, is a certified and verified Service Disabled Veteran Owned Small Business by the Veterans Administration Center for Veterans Enterprise (CVE), registered with the System for Award Management (SAM), and a member of the Greater Washington Hispanic Chamber of Commerce. Additionally, the Department of Minority Business Enterprise, under the Virginia Unified Certification Program, has certified Arpeggio as a Disadvantaged Business Enterprise (DBE) and a Small, Women and Minority Owned (SWaM) enterprise. Arpeggio has been accepted as a Citrix Solutions Advisor, Silver, and our leadership is Citrix Certified Sales Professionals.
